

WCTSA REGIONAL REPORT FOR SATSA MANAGEMENT COMMITTEE MEETING : AUGUST 2020

1. Introduction

The Western Cape Transplant Sports Association have members living in CT Metro, Eden District, Overberg, West Coast and Winelands.

The WCTSA's aims and objectives are to grow its membership and strengthen the Association's presence and active involvement in the Western Cape. Due to COVID-19 none of our members could visit hospitals, dialysis centers or any public places for the recruitment of new members. These visits will be resumed as soon as it is safe for our members to do so.

The WCTSA are an associated member of the following sporting bodies in the Western Cape : Western Cape Provincial Sports Council (WCPSC), Cape Town Sports Council (CTSC), Eden Sports Council and Winelands Sports Council.

2. Meetings : Management Committee and extension of Committee till 2022

The Management Committee of WCTSA met on 20 April 2020 and 22 June 2020 via Zoom.

SATSA Management Committee recommended on 6th June 2020 that Regional Committee's term be extended for two years (one term) until the elections in 2022 to be in line with SATSA National Executive. Communication in this regard was sent out via e-mail to all WCTSA members and by the deadline (19 June 2020) no objection was received.

The following Committee will continue til 2022:

Chairperson:	Hermann Steyn
Vice-Chairperson:	Vivian de Klerk
Secretary:	Sharon Henkeman
Treasurer:	Dick Kruger

Eden: 11

Overberg: 3

West Coast: 7

Winelands: 20

4. Communication with members

Newsletters were sent out to our members during April and August.

Regular Facebook postings, Bulk SMS E-mails and Whatsapp messages keep members updated about activities and instructions on how to keep fit during the Covid-19 lockdown period.

The WCTSA has a new website that was created by The Western Cape Provincial Sports Council (WCPSC) and is managed by JP Naude. The new website's address is

www.westerncapetransplantsports.co.za

Vivian de Klerk will be responsible to forward information to the WCPSC.

5. Social and Sports activities

Due to the COVID-19 lock down no social activities were possible. As soon as we moved to level 4 lockdown a lot of our members were out and about exercising, cycling and running. Our golfers and tennis players could take to the fairways and courts when we moved to level 3 playing their favorite sport. Virtual Run and Cycling is also very popular amongst our members and we encourage members to do it in a safe manner.

6. Marketing: Participating in other related initiatives

August is Organ Donor Month. Due to the COVID-19 pandemic, The Organ Donor Foundation of South Africa (ODF) can not run their awareness campaign as they usually do during Organ Donor Month. They have launched an awareness campaign on their Facebook Page consisting on short videos sent in by recipients, donors or any family members. Our members were encouraged to sent in their videos to help the ODF with their campaign.

7. Finances:

7.1 Fund raising efforts

WCTSA has provisionally booked a Golf Day at Boschenmeer Golf Estate for 15 October 2021. We plan on hosting another evening at The Barnyard Theatre in 2021 as well, as soon as it is safe to do so.

7.2 Financial status

Financial status as on 31 July 2020

- Current Account: R38 013.94

7.3 Audited Financial Statement end 31 March 2020

WCTSA's Financial Statement for the mentioned period was sent back to Moore Inc. for change of description of funding from DCAS.
