

## **KZNTSA REGIONAL REPORT FOR SATSA MANAGEMENT COMMITTEE MEETING**

### **AUGUST 2020**

#### **1. Introduction:**

KZNTSA had great expectations for this year but this was short lived as the unprecedented Covid-19 sprung up on us and then the Lockdown hampered everything else that was planned for this year. We were also saddened by the passing away of Michelle Michael, who has been a great inspiration to us all. We have, none-the-less, remained positive and continue with the road ahead to find ways to adapt with the new normal.

#### **2. Committee meetings and initiatives**

We held our first meeting on the 1<sup>st</sup> February 2020. At this meeting, the focus was on setting our year planner and attending to arrangements regarding the upcoming National Games. Discussions around fundraising for the year were outlined. Our golf day was to be held in May and a beach walk and Barnyard night were also mentioned, but all of this has since been put on the back burner. I have had many telephonic discussions with management committee members since and we are arranging a zoom meeting later in August.

#### **3. Management Committee extension till 2022**

Due to us being unable to hold an AGM for 2020, we have followed the recommendations of SATSA Management Committee meeting in so far as requesting approval from the Regional membership to extend the term of the existing Regional Management Committee. This has since been obtained and the committee is as follows:

Chairperson	Sean Samujh
Vice Chairperson	Jan De Kock
Treasurer	Marilee Chananie
Secretary	Iris Samujh
Members	Henk Goris
Co-Opted Member	Cindy Goldie

We have had two members that have stepped down: Richard and Sannie. We thank them for their contribution, and they will be missed.

#### **4. Membership**

Full Members 48

Associate Members 34

Total 82

## **5. Communication with members**

The latest Newsletter is being worked on as I write and will be updated soon. Facebook posts, WhatsApp and SMS services are all being used to keep in contact with our members.

## **6. Social and Sports activities**

There has been very little on this front. Members are slowly getting back to sporting activities as it is being opened. As far as exercising goes, we have been encouraging members to exercise indoors and if possible, in their gardens. We are also making use of the workout planner sent by Hermann. On a social front not much has been going on. We have been active on social media regarding National Organ Donor Awareness. I had an interview with Danica Hansen from the local North Glen News and Marilee had a great article in the Highway Mail regarding Women's Month and Organ Donor Awareness Month.

## **8. Engagement with other sports bodies**

Richard and Marilee attended the Sports Confederation AGM that was held at Garden Court Hotel in Durban. Iris also attended the Provincial Federation meeting and both parties have submitted reports on these meetings. Reports of the above have been documented.

## **9. Finances**

We have applied to the National Lottery and to the Department of Sports and Recreation for funding and have not received any feedback as yet.

Our bank balance as 31<sup>st</sup> July 2020 stands at:

R65 016.17
