

QUALIFYING STANDARDS FOR WORLD TRANSPLANT GAMES 2023

Although these criteria are regarded as the standard for qualification for the South African Team to the World Transplant Games (WTG), past performance at WTG as well as the participant's active participation record in sporting events will be taken into consideration when making the selection. *This also applies to the disciplines where a time/distance standard does not apply.*

These standards reflect an average of previous WTG performances since the Sidney WTG 1997. For this purpose, the third place in each event was taken into account and adjusted with +/- 5% of times or distances.

Athletes, who do not reach these qualifying standards but whose times and distances at the National Games are within 10% of the requirement, will be allowed a second attempt at qualifying. This attempt should take place in a regular competition or with specially arranged adjudicators, approved by SATSA and the Federation representing that sport discipline. ***The arrangements & costs associated with this, is the responsibility of the athlete.***

Take note: World times/distances can only be recognised when set at WTG events

It is the aim of the Association to include as many participants as can be financially accommodated, to the WTG.

QUALIFYING STANDARDS FOR ITEMS WITHOUT TIMES/DISTANCES:

TENNIS

- The participant should present verifiable and supported evidence of continued active participation at local and club level.
- The format of the Games competition will be singles matches. Each player will play a minimum of two (2) sets.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

SQUASH

- The participant should present verifiable and supported evidence of continued active participation at local and club level.
- The format of the Games competition will be singles matches. All games will be the best of five games to 9 points.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

BADMINTON

- The participant should present verifiable and supported evidence of continued active participation at local and club level.
- The format of the Games competition will be singles matches. All games will be the best of three games to 9 points.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

TABLE TENNIS

- The participant should present verifiable and supported evidence of continued active participation at local and club level.

- The format of the Games competition will be singles matches. All games will be the best of three out of five games to 11 points.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

GOLF:

- The participant must be a member of a golf club and must submit proof of handicap.
- The participant's handicap must show consistency over a period of eight (8) months in which the players must have recorded the scores of at least 8 rounds of competitive golf.
- Golfers will participate in an 18-hole stroke play event.
- This round should be played in a maximum of eight (8) nett strokes over par, taking the handicap into consideration.

PETANQUE:

- The participant should have knowledge of the game and must have participated before on social or club level.
- The format of the Games competition will be singles matches. All games will be based on a point system.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

DARTS

- The participant should present verifiable and supported evidence of continued active participation at local and club level.
- The format of the Games competition will be singles matches. Each player will play a minimum of two (2) games, opening score from 301.
- Athletes will be evaluated on their application of the rules of the game, etiquette, level of their game and potential.

TEN PIN BOWLING:

The following criteria for qualification:

Minimum total over two games: Singles

Male 18-49:	300 points
Male 50-70+:	280 points
Female 18-49:	250 points
Female 50-70+:	180 points

Juniors: Minimum total over two games: Singles

9-11 years	Boys: 110 points	Girls: 80 points
12-14 years	Boys: 150 points	Girls: 120 points
15-17 years	Boys: 180 points	Girls: 140 points

Take note: World times/distances can only be recognised when set at WTG events

JUNIOR QUALIFYING STANDARDS FOR WORLD TRANSPLANT GAMES 2023

Although these criteria are regarded as the standard for qualification for the South African Team to the World Transplant Games (WTG), past performance at WTG as well as the participant's active participation record in sporting events will be taken into consideration when making the selection. *This also applies to the disciplines where a time/distance standard does not apply.*

These standards reflect recorded previous WTG performances as recorded since the 2007 WTG Bangkok. For this purpose the third place in each event was taken into account and adjusted with +/- 5-10% of times or distances.

Athletes, who do not reach these qualifying standards but whose times and distances at the National Games are within 10% of the requirement, will be allowed a second attempt at qualifying. This attempt should take place in a regular competition or with specially arranged adjudicators, approved by SATSA and the Federation representing that sport discipline.

Take note: World times/distances can only be recognised when set at WTG events
